Subject: Dividable Nursing Home Bed

The Rehabilitation Centre of People with Physical Disabilities Disabilities, launched its programme on September 1st, 2008 – within the framework of the Social Renewal Operative Programme – with the main aim of creating a workshop and service network for the development of assistive technology and employment of people with physical disabilities (TÁMOP-1.4.2-07/1.-2008-0001).

Within the project we are waiting for bids for **Dividable Nursing Home Beds with electric engine (10 pieces)**

The equipment must meet the following expectations:

- 4 sectioned bed with ergonomic retrograde regulation of back.
- 4 engines (height-, back-, thigh and leg adjustment
- Green button function connecting back-and thigh function
- Central Brake system with pegs on both sides at foot end.
- Integrated bed base elongation
- Dividable: With equipment for transportation position

Conditions for bidders:

- The bidder agrees to offer a contact person for consultation through the phone or other electronic means

Deadline for bids: Wednesday, 31st August, 2011. 16:00 hours (the deadline means the arrival of the bid!)
